1. The Soviet Supreme Commander of the Kwantung Peninsula, General Kolalofu, has been ordered to return to the USSR. He has been replaced by General Meiliatzuko. General Kolalofu has followed the same system and has the same ideas as General Chinkofu who studied in America and was imprisoned for his anti-Communist ideas.

2. The Soviets in Dairen are dissatisfied with Kochangnoiu, the Soviet Military Emergency Headquarters Commander. He was formerly an ordinary soldier and served in Korea. When he was put in charge of Dairen, he changed the former commander's policy and permitted the Chinese Communist city government to have a free hand in matters concerning both the Chinese and the Japanese. The city government which is supposed to be non-partisan actually sponsors Communism.
